YASSINE CHMIRROU
Student in Big Data & AI engineering

I am a fourth-year engineering student at ENSA Tétouan, specializing in Big Data and Artificial Intelligence. With a strong passion for AI-driven solutions. I am currently seeking a summer internship (PFA) to actively contribute to innovative projects and drive progress in the field in a professional capacity.

Education :

State Engineer's Program in Big Data & AI
National School of Applied Sciences of Tetouan
2023　　　　　　　　　　　　　*Tanger-Tetouan-Al Hoceima, Morocco*

Pre-Engineering Program
National School of Applied Sciences of Tetouan"
2020 – 2023　　　　　　　　　　*Tanger-Tetouan-Al Hoceima, Morocco*

- Completed foundational coursework in math, physics, and chemistry.
- Developed strong problem-solving skills through hands-on projects.

Baccalaureate in Physics Science
Al Qalam
2019 – 2020　　　　　　　　　　　　　　　*Agadir, Morocco*

- Graduated with highest honors.

Work experience

Participant, WTM 2024 (ExCeL London)
Agadir Golden Trip
11/2024　　　　　　　　　　　　　　　　　　*London*

• Engaged in international workshops and seminars on advanced technology and AI trends.
• Networked with professionals and students from various countries, strengthening global perspective.
• Gained insight into the latest developments in AI, data science, and big data applications.

Exploratory Internship
Transparence Informatique
08/2024 – 09/2024　　　　　　　　　　　　　　*Agadir*

- **Data Analysis**: Utilized Power BI and Excel to analyze and visualize data, creating interactive dashboards and reports to support decision-making.
- **Data Integration**: Integrated data from multiple sources into Power BI for comprehensive reporting and improved insights.
- **Optimization**: Streamlined data processes in Excel, automating repetitive tasks to improve efficiency in data management and reporting.

Extracurricular Activities :

VICE PRESIDENT
AI GEEKS
01/2024　　　　　　　　　*National School of Applied Sciences of Tetouan*

- Led a team to organize workshops, seminars, and competitions related to artificial intelligence.
- Coordinated with industry professionals to provide students with insights into the latest AI trends and technologies.
